
killing a bunch of farmers for israel and and then posting stuff like this as if your saving the world is a classic lifepath

> Look I get it. I was a crack shot with my M-16A2 service rifle. Expert badge. I could split a man in half 9 times out of 10 from 500 meters.
>
> Unlike all you @NRA punks I can actually fire an AR-15 with deadly precision. That's also why I know, no civilian needs 1 or should own 1.

Legendary fucktard @Ascendid1 · 5h

kills innocent ppl, comes home and beats wife, gets firearms taken away by courts ---> no one should have these things ,
